

CATALOGUE OF RESOURCES & INITIATIVES 2023

An ECSCO initiative

Youth4Cyber

aims at educating and raising the awareness of young people (6 to 26-year olds) on cybersecurity.

In this living document

ECSCO continues to gather and update a list of openly available resources/initiatives from ECSCO Members.

Our goal is to show what is currently being done on youth education around Europe.

**Here you will
find resources
divided by**

Type of resource / initiative
